Introduction to Teamcenter

Course Overview

The **Introduction to Teamcenter** course introduces the concept of product lifecycle management. You will become familiar with the rich client user interface and learn the basics of using Teamcenter.

Teamcenter will enable you to streamline developments and enable you to reach deadlines faster and more efficiently.

Who Should Attend?

The primary audience for this course are users who design, configure and release data using Teamcenter.

Course Agenda: 1 Day

- Overview of Teamcenter terms and concepts
- Use rich client user interface to perform basic tasks
- Locate, view, and report on product data
- Create Teamcenter items and update properties
- Protect and access product data

Recommended Courses

- Using Teamcenter
- Teamcenter Installation
- Teamcenter Customization
- Teamcenter Data Model Administration

"From one-to-one training, group training events, workshops and online/telephone support. Each time has enabled me to use NX more efficiently and more effectively"

A comprehensive overview of Teamcenter is done with our technicians

Welcome to TEAM

The TEAM Difference? ...is the people we employ within the Company. Our engineering team come with many years of invaluable industry experience. Coupled with this is our long track record with both the software and our commitment to supporting our many customers who design using Siemens PLM technology.

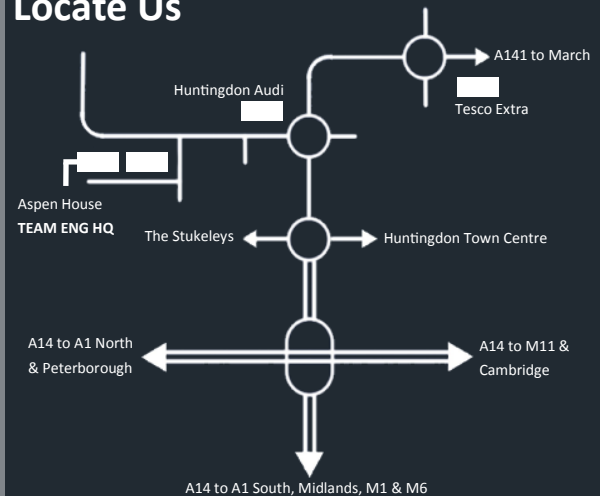

We like to think we have all the answers, but in fact, we listen first; then we work together - as a TEAM.

TEAM Engineering

Directions to our Technical Centre

- **BY CAR**—Head toward Huntingdon on **A14 / A141**. Enter **Washingley Road** and take the **second left** into **Vantage park**. Take **First right** into the **Aspen house** car park. We are in unit **10D**. Welcome to TEAM Engineering.
- **BY AIR**—From Stansted head North on M11, merge onto A120 then back to M11 to Cambridge. Take A14 then A1198 to Royston. Then follow signs for Huntingdon (55 mins)
- **BY RAIL**— Head to 'HUN' station on Brampton Road. Follow B1044 via Stukeley Road then follow CAR directions (6 mins)
