

Innovate . Develop . **Advance**

FEMAP Advanced Training Course

Course Overview

This course provides the experienced Engineer to FEMAP with a substantial knowledge to the software touching upon geometry, meshing. Handling data and API's.

For current FEMAP users, this course will fill in the grey areas, provide important time-saving knowledge, and guide them on their way to becoming a FEMAP expert.

Who Should Attend?

This course is intended for designers, engineers and finite element analysts who would like to understand how to perform linear static analysis using NX Nastran.

Course Agenda: 2 Days

- Geometry Preparation
- Meshing 1D , 2D & 3D
- Meshing Toolbox
- Loads Application – Data Surfaces
- Post Processing – Free-body & Charting
- Data Tables
- Introduction to API's

“From one-to-one training, group training events, workshops and online/telephone support. Each time has enabled me to use NX more efficiently and more effectively”

Sheffield Precision Medical

Recommended Courses

- FEMAP Essentials
- NX Nastran Non-Linear
- NX Nastran Advanced Non-Linear

Welcome to TEAM

The TEAM Difference? ...is the people we employ within the Company. Our engineering team come with many years of invaluable industry experience. Coupled with this is our long track record with both the software and our commitment to supporting our many customers who design using Siemens PLM technology.

We like to think we have all the answers, but in fact, we listen first; then we work together - as a TEAM.

TEAM Engineering

Directions to our Technical Centre

- **BY CAR**—Head toward Huntingdon on **A14 / A141**. Enter **Washingley Road** and take the **second left** into **Vantage park**. Take **First right** into the **Aspen house** car park. We are in unit **10D**. Welcome to TEAM Engineering.
- **BY AIR**—From Stansted head North on M11, merge onto A120 then back to M11 to Cambridge. Take A14 then A1198 to Royston. Then follow signs for Huntingdon (55 mins)
- **BY RAIL**— Head to 'HUN' station on Brampton Road. Follow B1044 via Stukeley Road then follow CAR directions (6 mins)
